

ATTENTION MEN of OLDE RALEIGH NEIGHBORHOOD (and friends)

For several years a group of men, primarily from the Olde Raleigh community, have been meeting in the Olde Raleigh Clubhouse each Wednesday morning at 6:30 for a Bible Study discussion group. Starting Wednesday, November 17th, 2010, we will be focusing on the book entitled, "The Coming Economic Armageddon" by Dr. David Jeremiah. We believe this to be a timely and relevant book that should have an interest to us all.

Come join us, please. If you have questions, you may feel free to contact any of the following residents of Olde Raleigh:
